The best jobs in the solar system. New opportunities and exciting challenges await you at IBC SOLAR. There are few industries that are currently more dynamic than the solar industry. We are an essential pillar of the energy transition and our solutions, ideas and innovations are the key to sustainable, climate-friendly energy production.

Pope Francis has unveiled plans for a solar plant that will let the Vatican City generate all its electricity from renewable sources. With an area of 121 acres or 0.44km² and a population of around 825, the Vatican City in ...

Efforts to green the Vatican began before Pope Francis's reign. Predecessor Pope Benedict XVI also recognised the threat posed by climate change and was a reasonably early adopter of solar power. Back in 2008, 2,400 solar panels were installed on the Vatican's "Nervi Hall", but there have been no further installations that I'm aware of.
