Upgraded Design: Large Outdoor Electrical Box with 4 Pack Outdoor Extension Cord Safety Cover features with large dimension and 6 cable entry ports, which allows almost all of your outdoor electrical device connections to be protected together. The 4 lockable latches and soft rubber seals make the box IP54 Weatherproof.

My house is old. The outdoor power outlet is on the same circuit as an indoor GFCI protected power outlet. Whenever the Christmas lights get enough rain on them, some water must get inside somewhere (in an individual light or at a connection point between two strings), and the GFCI trips. I tried plastic wrap around the connection points once.
