

# Yeti 1500x portable power station Australia

How much power does a Yeti 6000x portable power station have?

The Yeti 6000X Portable Power Station provides 6,071 Wh of energy storage in a modern, Li-ion NMC battery. This energy can be pulled through a 2,000W AC inverter (3,500W surge), which allows you to run even large-sized appliances like refrigerators and power tools.

What is a Yeti 400 portable power station?

The Goal Zero Yeti 400 Portable Power Station is a quiet, portable power station for base camps, cabins, and unexpected outages. It allows you to live life off the grid, camp in luxury, or power through an outage without the noise and fumes of traditional back-up generators. The Yeti 400 is rugged, durable, and rigid.

Why should you buy a Yeti 1000 lithium portable power station?

The Yeti 1000 Lithium Portable Power Station is designed to be versatile and, with built-in surge allowances and multi-stage protection, it provides great compatibility with a wide range of devices, from lights to laptops, refrigerators to power tools. It does all this quietly.

Why should you buy a Yeti 1250 portable power station?

From phones to refrigerators, and everything in between, with the Yeti 1250 Portable Power Station, you have the power to back up your life in any situation. Ditch the noise, fumes, and gasoline and enjoy unlimited power from the wall or the sun.

How long does it take to charge a Yeti 1500x?

Charge times are dependent on the size of the solar panel. The Boulder 100 Briefcase will provide 100W of solar and fully recharge the Yeti 1500X in 18-36 hours of sun. Plug it into the wall. Fully recharges in 7 hours using the included 230W Power Supply AC Wall Charger.

How do I charge my Goal Zero Yeti 1500x?

Fully recharges in 7 hours using the included 230W Power Supply AC Wall Charger. The Goal Zero Yeti 1500X can be charged by plugging into your 12V adapter using the Goal Zero Yeti Lithium 12V Car Charging Cable. NOTE: Do not attempt to charge your Yeti Lithium from a 12V source using a regular charging cable.
